COLOR CITY

Your idea starts here.

Color City specialises in printing and advertising. Based in Al Maabela, Seeb, Muscat, we serve customers across the Sultanate of Oman.

One idea. Many possibilities.

We bring together design, printing, signage, cutting, gifts and marketing to turn your project requirements into tangible results.

COLOR CITY

Why Color City?

01 Connected services

Branding, print, signage and gifts work together to present your business with one consistent visual identity.

02 Made for your idea

We review sizes, materials and quantities to find a solution suited to its intended use.

03 From design to application

We prepare your concept and artwork for application to print, signs and products.

04 Clarity from the start

We discuss specifications, scope, cost and timing before agreeing to proceed.

Our space, equipment and work: page 20

DIGITAL & COMMERCIAL PRINTING

Print your identity.

Print preparation and digital printing

From business cards to banners, we help you choose the size, material and finish, and prepare your artwork for print.

- Business cards, brochures and commercial print
- Banners and stickers in a range of sizes
- Artwork preparation and size checks

STICKERS & GLASS APPLICATIONS

Spaces that speak.

Stickers for glass, walls and products add character to your space and communicate your message clearly.

BANNERS & DISPLAY MATERIALS

Display your message.

Stands & displays

Display options for advertising and information in entrances, corridors and event spaces.

Share the location, size and quantity so we can discuss the right display format.

SIGNS & RAISED LETTERING

Make an impression.

Your sign is the first impression of your business. We design and produce shop and company signs, raised letters and illuminated signage.

Designed around your identity, dimensions and site.

SHOP & COMPANY FACADES

A facade that is yours.

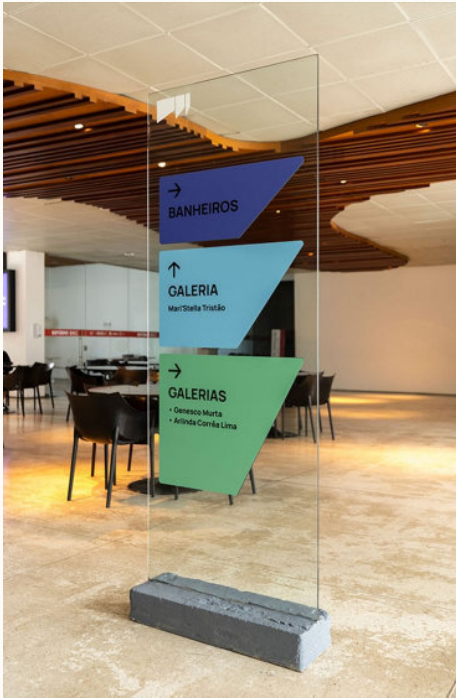

Signs, colours and facade details in harmony.

We align the facade design with your brand and premises, reviewing production and installation requirements for each project.

WAYFINDING & ROOM NUMBERS

Every direction, clear.

Wayfinding for offices, facilities and shared spaces.

- Door signs and room numbers
- Direction arrows and facility identification
- Design aligned with the identity of the space

EXHIBITIONS & DISPLAY SOLUTIONS

A coordinated display.

Present your services. Guide your visitors.

We prepare signs, printed materials, stands and wayfinding to suit the space and purpose, with a consistent design across every element.

CUSTOM CUTTING & ENGRAVING

Details shaped for you.

Acrylic and wood cutting and engraving, with custom shapes, decorative pieces and displays matched to your design and material.

Material, thickness and dimensions guide the process.

CUSTOM STANDS & DISPLAYS

Acrylic with purpose.

Small pieces. Many possibilities.

- Product and phone holders
- Information and QR code stands
- Custom names, shapes and dimensions

Personalised gifts

A gift with your name.

Personalised keyrings and pieces for people, occasions and businesses. We help you select the product and the right way to add a name or logo.

PROMOTIONAL GIFTS & BRAND APPLICATIONS

Your brand in the details.

Useful products. A lasting brand presence.

Custom gifts and products for businesses and events, designed to reflect your brand colours and message.

Product, quantity and packaging are agreed for each order.

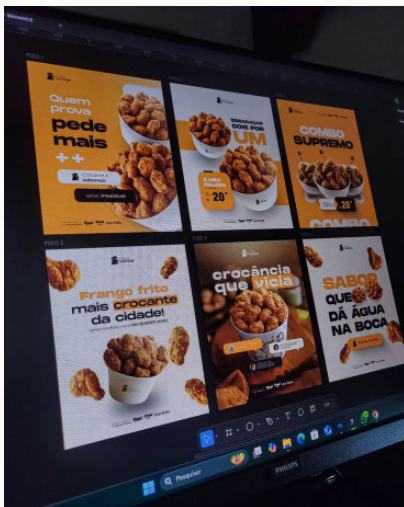

VISUAL IDENTITY DESIGN

One consistent identity.

PRINT & ADVERTISING DESIGN

Design ready for use.

From idea to artwork.

Design for print and social media, with artwork prepared for the required size and production method.

DESIGN & DIGITAL MARKETING

Content for your business.

Consistent visual content that introduces your products and services, supports your message and serves your marketing goals.

For businesses, shops, restaurants and cafés.

PHOTOGRAPHY, CONTENT & CAMPAIGNS

A story worth sharing.

- Product photography and reels production
- Social media content design
- Content and campaign planning around your goals

Scope and deliverables are tailored to your needs.

INSIDE OUR UPDATED PREMISES

Welcome to Color City.

Bring your ideas here.

A space to design and discuss your project.

COLOR CITY FROM THE OUTSIDE

Our identity, on display.

Raised letters, lighting
and coordinated details.

FACADE & ENTRANCE

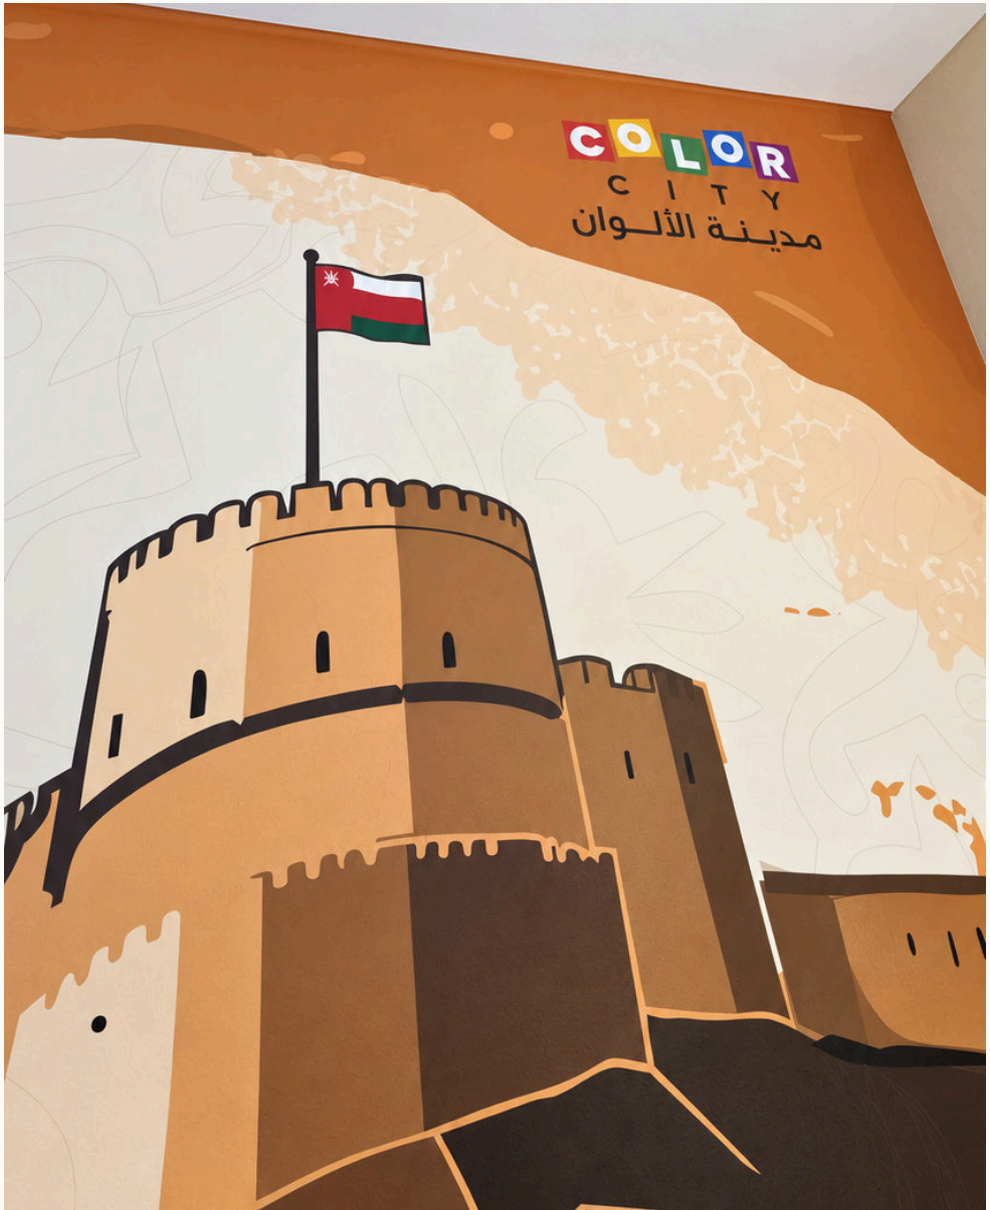

Presence in every detail.

Colour, material and lighting,
from the sign to the storefront.

BRAND APPLICATIONS IN OUR SPACE

A space with identity.

Colours tell a story.

A wall graphic inspired by Oman's heritage.

OUR IN-HOUSE EQUIPMENT

Equipped to produce.

Our large-format printer and laminating machine.

From artwork to print.

Our printing and laminating equipment supports banner, sticker and display production, with the work managed inside our workshop.

Materials and finishes are selected for the intended use.

FROM ARTWORK TO CUT MATERIAL

Laser-cut detail.

Setting up and operating the laser cutter.

A closer look at the workbed and cutting detail.

Letters, shapes and acrylic parts
made to your design and dimensions.

OUR IN-HOUSE EQUIPMENT

CNC cutting & routing.

Our CNC machine in the production area.

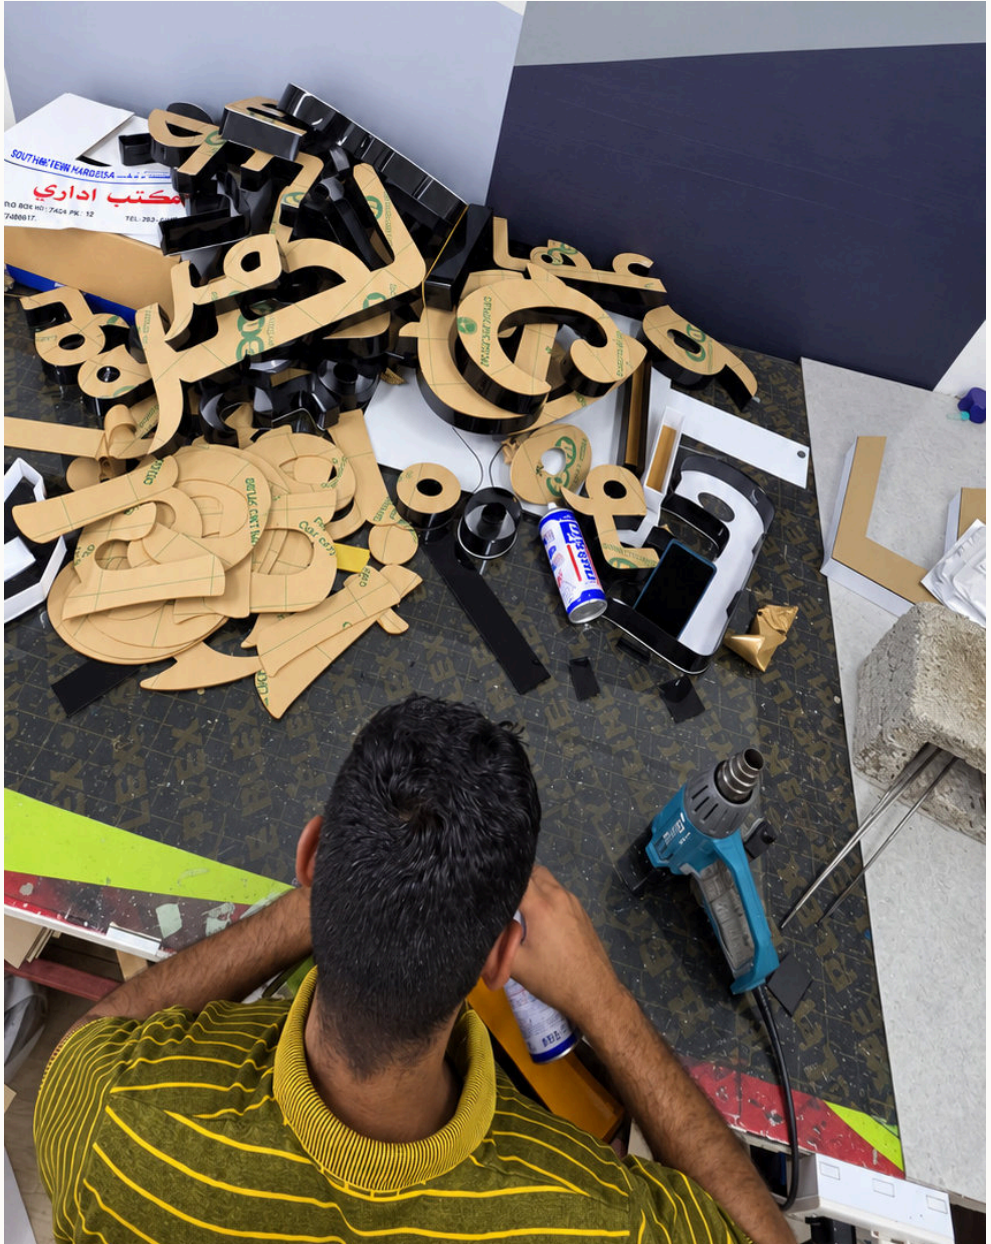

Give your ideas shape.

Routing, decorative work and cutting in suitable materials to create custom components for interiors, displays and signage.

Material, thickness and dimensions are checked first.

INSIDE THE COLOR CITY WORKSHOP

Craft in every letter.

Assembling raised letters
and finishing the details by hand.

INSIDE THE COLOR CITY WORKSHOP

Ready for production.

Preparing letters and components in our workshop.

Custom letters and signs during assembly.

From cutting and shaping to assembly,
your idea takes its final form.

A piece of your own.

Engraved wooden pieces
for gifts, displays and interiors.

SELECTED PROJECTS

Make it personal.

Personalised acrylic pieces
for memorable gifts and special
occasions.

SELECTED PROJECTS

Bilingual wayfinding.

Arabic and English signs identify areas and help organise how facilities are used.

SELECTED PROJECTS

Details that guide.

Room number before fitting

The number fitted on the door

Room numbers and door signs that suit the interior design.

SELECTED PROJECTS

An identity for every address.

Letters and numbers for entrances,
arranged to complement the facade.

SELECTED PROJECTS

A sign with character.

Custom shapes and graphics
to introduce your business to visitors.

SELECTED PROJECTS

Ideas for every occasion.

Displays and prints for schools and occasions.

Printing, cutting and preparation come together to create pieces suited to the occasion and the space.

COLOR CITY

Solutions that fit.

Whether you are starting a business, developing your brand presence or preparing a gift, we help define the right deliverables.

Businesses & institutions

Branding, business stationery, interior signs and promotional gifts.

Shops, restaurants & cafés

Facades, stickers, display materials and advertising content.

Individuals & occasions

Named gifts, prints and custom pieces based on your idea.

COLOR CITY

From first message to a clear plan.

01 Tell us your idea

Send the service you need and a reference image or artwork file, if available.

02 We review the details

We discuss size, material, quantity, intended use and any delivery or installation needs.

03 Agree the scope

We set out the quote, deliverables and timeline, then agree the production details.

For a faster start, send the size, quantity, material and required date.
